# CONDIZIONI GENERALI DI VENDITA

GENERAL SALE CONDITION / ALLGEMEINE VERKAUFSBEDINGUNGEN / CONDITIONS GÉNÉRALES DE VENTE

I prezzi indicati nel presente listino sono prezzi suggeriti al pubblico e si intendono comprensivi di imballo ed esclusi di IVA. Le consegne si intendono sempre effettuate su base Franco Fabbrica EXW (Incoterms 2000 Camera di Commercio Internazionale di Parigi) presso la sede di Elite To Be salvo diverso accordo scritto tra le parti. Il minimo d'ordine per il Porto Franco, quando previsto, sarà comunque di almeno €1.000,00 netti. Le presenti Condizioni Generali di Vendita regolano tutti i rapporti tra Elite To Be srl (di seguito l'azienda) ed il committente, se non espressamente derogate da condizioni particolari sottoscritte da entrambe le parti e confermate per iscritto.

**ORDINI** Le condizioni generali di vendita e gli articoli confermati si intendono verificati ed approvati, qualora non pervengano eccezioni scritte entro otto giorni dal ricevimento delle conferme d'ordine. Nessun ordine potrà essere modificato o annullato dopo tale periodo, in caso contrario l'azienda si riserva il diritto di addebitare gli oneri inerenti. L'ordine è assunto con riserva di accettazione da parte dell'azienda. La mancata o ritardata consegna non costituisce un diritto per qualsiasi richiesta di danni. I termini di consegna indicati nelle proposte d'ordine o comunque nella corrispondenza intercorsa tra le parti si intendono in ogni caso indicativi e non vincolanti per l'azienda.

**RECLAMI e RESI** L'azienda garantisce la qualità dei prodotti e la loro conformità alle indicazioni contenute nella proposta d'ordine e l'idoneità all'uso a cui sono destinati. La merce va controllata all'atto dello scarico prima di firmare la bolla di consegna. In caso di impossibilità si consiglia di firmare con riserva. In difetto l'azienda non risponde dei danni subiti. Eventuali vizi o difetti dovranno essere comunicati all'azienda entro il termine di otto giorni dalla consegna, a pena di decadenza di ogni diritto. La merce viaggia a rischio del committente anche nel caso venga resa franco destino. Qualora si constatassero danni derivati dal trasporto, questi dovranno essere comunicati per iscritto al trasportatore con copia all'azienda e saranno presi in considerazione solo se effettuati entro otto giorni dal ricevimento della merce. Nel caso in cui l'azienda accetti la sostituzione della merce contestata, l'acquirente rinuncia a qualsiasi richiesta di rimborso di danni per spese sostenute. Eventuali resi o sostituzioni di merce dovranno sempre essere autorizzati preventivamente dall'azienda. Non verranno accettati resi di merce senza numero di autorizzazione (RMA) e preventivamente autorizzati per iscritto. Se per tre volte, al passaggio del vettore, la merce da rendere non sarà messa a disposizione per il ritiro, ci riterremo autorizzati a rifiutare il reso ed emettere relativo pagamento. Lo stato di conservazione della merce sarà attentamente verificato al rientro della stessa e in caso di danni, non imputabili all'azienda, non verrà riconosciuto il valore dei singoli elementi. Qualora per mancanza di imballo originale, o di imballo atto a preservare l'integrità della merce durante il trasporto al magazzino dell'azienda, la merce risultasse danneggiata ci vedremo costretti, nostro malgrado, a detrarre dalle spettanze le eventuali spese di riparazione che si rendessero necessarie. Al rientro della merce resa verrà emessa la relativa nota di accredito, che in ogni caso si baserà sui prezzi della relativa fattura, i cui estremi dovranno obbligatoriamente essere citati nel documento di trasporto DDT o SCHEDA DI TRASPORTO della merce resa.

**PAGAMENTI e RISERVA DI PROPRIETÀ** Tutti i pagamenti dovranno avvenire presso la sede dell'azienda entro i termini e le forme stabilite. Per ritardi nei pagamenti si richiama il DL n. 231 9/10/2002. Nel caso di pagamento differito, il mancato assolvimento e/o ritardo di una scadenza o rimessa da diritto di richiedere immediatamente l'intero ammontare scoperto, indipendentemente dalle condizioni di pagamento pattuite. Ci riserviamo di sospendere qualsiasi fornitura, nel caso le condizioni economiche dell'acquirente risultassero tali da rendere problematico il pagamento. Il pagamento deve essere effettuato in misura integrale anche in caso di contestazione o controversia. Non è ammessa, infatti, se non con l'esplicito consenso scritto dell'azienda, la compensazione con eventuali crediti vantati nei confronti dell'azienda. Tutti i prodotti forniti restano di ns. proprietà, sino a quando non siano stati pagati completamente. Eventuali somme incassate per vendita di nostra merce a terzi, sono di nostra competenza, sino a quando non sia stato pagato ogni nostro avere. Eventuali clausole in contrasto con questo sopra, non saranno valide se non espressamente accettate. L'azienda si riserva la facoltà di apportare miglioramenti e variazioni ai modelli per materiali, dimensioni e tipo di costruzione, senza obbligo di preavviso. Le indicazioni di misure e disegni su qualsiasi pubblicazione sono da intendersi a puro titolo informativo e possono essere soggette a modifiche senza alcun preavviso. Non garantiamo l'uniformità di venature e colore delle essenze nell'abbinamento dei diversi elementi. I colori dei tessuti, delle pelli, delle parti verniciate delle essenze e di eventuali campionari sono indicativi in quanto è tecnicamente impossibile mantenere le stesse tonalità di colore nel tempo. Le immagini dei prodotti sono puramente indicative e non vincolanti.

**LEGGE APPLICABILE** Il Contratto di vendita è disciplinato secondo le leggi italiane; l'Attività Giudiziaria competente in qualsiasi controversia derivante da ordini, forniture e pagamenti anche in materia di tratte e/o ricevute bancarie, sarà esclusivamente il Foro di Pordenone.

*The prices indicated in this price list are the suggested retail price for the public and are inclusive of packaging and exclusive of tax. Deliveries are made in accordance with the EXW incoterm ex-works (Incoterms International Chamber of Commerce Paris) from the premises of Elite To Be srl unless otherwise agreed in writing by the parties. These General Terms and Conditions of Sale govern all relationships between Elite To Be srl (the "Company") and the buyer unless specific conditions agreed by the parties in writing expressly require otherwise.*

**ORDERS** The general terms and conditions of sale and the confirmed articles are understood to have been verified and approved unless a written objection is made within eight days of receiving any order confirmation. No order may be amended or cancelled after said period and the Company shall have the right to charge the relevant costs incurred in such case. Orders are subject to the acceptance of the Company. The failure to deliver or any delay in delivery shall not give rise to any right to compensation. It is understood that the delivery terms set forth in the proposed purchase order or in any correspondence exchanged by the parties may vary and are not binding in any way on the Company.

**COMPLAINTS AND RETURNS** The Company guarantees the quality of the products and that they comply with the information indicated in the proposed purchase order and further- more that they are suitable for their intended use. Goods must be inspected when they are unloaded and before the delivery report is signed. If that is not possible, we advise to sign with reserve. Otherwise the Company shall not be liable for damages incurred. Any flaws or defects must be communicated to the Company within the term of eight days of receiving the goods. The buyer carries all risks for the movement of the goods including when postage is paid. Should damages be claimed relating to the transportation of the goods, they must be communicated to the transporting company in writing and a copy sent to the Company and shall be considered only if made within eight days of receiving the goods. If the Company accepts to replace any goods, the customer shall waive any claim for the reimbursement of costs incurred. Any returns or replacements of goods must be authorised in advance by the Company. Goods will not be returned without the authorisation number (RMA) and must be authorised in advance. If after three attempts the goods to be returned are not made available for pick up by the carrier, we shall be authorised to refuse the return and issue the relevant payment request. The condition of the goods shall be carefully checked when returned and if any goods are damaged through no fault of the Company, the value of the relevant item shall not be considered. If the original packaging is not present or if there is not sufficient packaging to protect the goods during transportation to the Company's warehouses and the goods are damaged, regrettably we shall be obliged to detract any repair costs as and when incurred. A credit note will be issued when the returned goods are received that will in any case be based on the prices set out in the relevant invoice, which in turn must be indicated in the transport document or the TRANSPORTATION FORM for the returned goods.

**PAYMENTS and OWNERSHIP RIGHTS** All payments must be made at the Company's premises within the terms and conditions agreed. In the event of any delay in payment, Legislative Decree 2319/10/2002 shall apply. In the event of deferred payment, the failure and/or any delay to pay an instalment shall give rise to the right to claim the immediate payment of the outstanding amount irrespective of the payment conditions agreed upon. We have the right to suspend any delivery in the event that the economic conditions of the buyer may render payment difficult. The full amount owed must be paid including if any complaint or dispute is underway. No payments may be set off with credits held against the Company without the express written authorisation of the Company. We shall own all products that are supplied until full payment has been made. We shall own any amounts collected through the sale of our goods to third parties until all our relevant costs have been paid. Any clauses to the contrary of the above shall only be valid if expressly accepted. The Company shall have the right to make improvements and variations to the models with respect to materials, dimensions and the construction methods without any obligation to inform customers. We cannot guarantee the exact match in veneer and colour of items when matching several elements. Colours of fabrics, leathers and lacquered sections of items and any samples may vary as it is technically impossible to keep the same colour over time. The images of the products are subject to change and are not binding.

**GOVERNING LAW** The Contract of sale is governed by Italian law; any Legal Action relating to any dispute arising out of or in relation to orders, supply or payments, including with respect to bills of exchange and/or bank receipts, shall be submitted to the exclusive jurisdiction of the courts of Pordenone.
